3. A.R. of the complainant rebutted the contentions of OP as averred in their reply and submitted that it's a joint property in which there are five shops which were previously owned by his cousins and have now been sold to different users who have got their own commercial meters installed without making payment of previous dues in connivance with the officials of the respondent.
4. LR of the OP submitted that the dues which they have transferred to the connections of Mohd Imran pertain to Mohd Iqbal (the complainant). Mohd Imran is brother in law of the complainant, therefore, the dues are payable by Mohd Imran.
5. From the pleading of both the parties and material placed on record it is transpired that the property no. 11124 to 11127 is a joint property which is admitted by the complainant and OP also, therefore, the dues are payable by the complainant.
6. In BSES Rajdhani Power Limited Vs Saurashtra Color Tones Pvt. Ltd. & ors., 2006, Delhi Law Times page no. 213, stated as under:

Electricity is public property. Law in its majesty benignly protects public property and behoves everyone to respect public property. No doubt dishonest consumers cannot be allowed to play truant with the public property but inadequacy of the law can hardly be a substitute for overzealousness.

7. As decided by Hon'ble High Court and Supreme Court in many cases that the electricity charges cannot be waived off as decided by High Court of Delhi on 02nd March 2009 in the matter of Izhar Ahmed Vs.
