Complaint No. 124/2023

6. This Forum is of the view that there is unauthorized construction on the address of the complainant as reported by MCD which has not been removed by the complainant. Completion cum occupancy certificate should be presented by the complainant for release of new connection.
7. The complainant has emphasized on the fundamental rights for claiming electricity connection. However, Hon'ble Delhi High court in case of Parivartan Foundation Vs. South Delhi Municipal Corporation & Others W.P. (c) 11236/2017 dated 20.12.2017 has laid down that
 3. The BSES Rajdhani Private Limited and the Delhi Jal Board shall ensure that no connections are provided and water and electricity is not supplied to the buildings constructed in violation of law.
 4. In case, the connections have been given to the buildings constructed in violation of law, appropriate steps in accordance with law shall be taken regarding those connections.
8. In view of the fact that the complainant has failed to produce the genuine/correct Completion Cum Occupancy Certificate issued by MCD North Zone and, especially in view of the directions of the Hon'ble High Court in Parivartan Foundation case, the Forum is of the view that OP has rightly rejected the electricity connection to the complainant.
9. In this regard, Hon'ble Delhi High Court in the case of W.P. (c) 2453/2019 has held "However, merely because some of the occupants of the building have wrongly been given an electricity connection, it cannot be ground for the court to direct respondents' no. 2 and 3 to further compound the wrong act and direct granting of a new electricity connection to the premises of the petition which is located in the building whose height is more than 15 meters."
