Complaint No. 510/2024

Complainant stated that above mentioned property is genuine and she is residing at the above said address since long time.

2. The respondent in reply briefly stated that the present complaint has been filed by the complainant seeking new electricity connections at the property bearing no. F-69-B, Third and Fourth Floor, Khasra No. 462, Gali No.-4, Subhash Vihar, North Ghonda, Delhi-110053, vide requests no. 8006854190 & 8007085385. The applications of the new connections were rejected on account of applied premises is under MCD Booking vide letter no. EE(B)-I/SH-H/2018/D-2081 dated 27.08.2018 at serial no. 42 and connection at 4th floor mandated submission of a valid, legal and verifiable Architect Certificate.

Hence, Violation of the provisions of Electricity Act and regulations framed in respect thereto DERC (Supply Code and Performance Standards) Regulations 2017.

3. Counsel for the complainant in its rejoinder refuted the contentions of the respondent as averred in their reply and submitted that the complainant had purchased the above said property in the year 2022 and the said MCD booking is of 2018 and in the year 2018 the complainant was not residing at the above said property and her residential address is F-69 – B, but the MCD booking is of address F-69 and in the shape of Ground, first and second floor, whereas the complainant is owner of third floor and fourth floor of property bearing no. F-69-B, which has no concerned with property no. F-69.

4. Both the parties were directed to conduct joint site visit and the joint site visit report stated as under
 - a) Applied building structure G+4 Floors ~~and three meter installed at~~
 - b) Three meter installed at the applied building
 - c) Multiple premises found of similar address, no name in MCD objection details.
 - d) MCD objection not confirmed.

5. We have gone through the submissions made by both the parties. Forum the narration of facts and material placed before us we find that complainant applied for new electricity connection which OP rejected on pretext of MCD Objection. Regarding objection of OP, OP has placed site visit report which states that the MCD Booking not confirmed. OP itself is not able to confirm whether it is property of the complainant which booked or not. Thus, the objection of OP is not justified and we cannot deprive the complainant of electricity. Therefore, OP is hereby directed to grant the application of the complainant for electricity connections in the applied premises.

OP also raised objection regarding submission of Architect Certificate for the 4th floor connection. The forum feels that the connection on 4th floor is under 15 meters therefore there is no need for submission of Architect Certificate.

6. Therefore, respondent may be directed to provide the connection with the condition that at the time of release of new connection the complainant should file an affidavit that if in future MCD takes any adverse action against the property then OP should be at liberty to disconnect the supply of the complaint.
