Complaint No. 188/2025

2. The respondent in reply briefly stated that the complainant vide order no. 8007593091 applied for new DX connection at premises no.B-61-A, Kh No.12/18, B-Block Ground floor B-61-A, Kh. No.12/18, B-Block, First Floor, Plot no-B-64/2, Gali No.2, Mukund Vihar Karawal Nagar, Delhi-110094. Reply further stated that the complaint is declined due to:-

- a) Electric Sub Station Space is required at the applied premises.
- b) No parity can be sought from other cases as concept of negative parity does not exist.

Reply further stated that during inspection of the said premises, it was discovered that the applied premise measures approx. 28 sq yard out of 1016 sq yard which was purchased from Mr. Jainender Bansal who sold big plot into small plots with the sole objective to bypass the applicable regulations as contained under the DERC SUPPLY CODE 2017. Reply further stated that respondent rejected the request of the complainant for new connection because consumer has failed to provide Space for Installation of ESS.

3. The complainant in rejoinder refuted the contents of the respondent as averred in their reply and stated that the complainant is the owner of the property of 28 sq.yds only and providing ESS space does not apply upon the complainant because no portion is left upon the said property. It is further stated that there is no deficiency on the part of the complainant. It is further submitted that the order passed by the OMBUDSMAN in a similar matter for release of the new connection is also applicable in the present case and the same apply upon the respondent company for release of electricity connection in the present matter. It is further stated that another builder has given the land for installation of two electricity transformer and one transformer was installed and another's space is still vacant and the space is just 300-350 steps far away from the applied premises of the complainant.

Complaint No. 188/2025

4. Based upon the joint site visit, OP submitted that it is new developing area and ESS space is required.
5. Arguments of both the parties were heard.
6. On final date of hearing the officer of the O.P. stated that they are withdrawing their objection of requirement of ESS space for installation of new electricity connection in that area.
7. Since the objection of OP for release of new electricity connection is itself withdrawn by them, therefore, we don't find any hurdle in releasing the new electricity connection as applied for by the complainant.
