Complaint No. 194/2023

2. OP by filing its reply states that complainant applied for new electricity connection at premises no. first floor (left side) of property bearing no. 7404, Gali Shekhlan Wali, Quresh Nagar, Sadar Bazar, Delhi-110006 vide request no. 8006132885 for domestic purposes. On 26.01.2023 the site was visited and it was found that building consists of ground floor plus two floors over it. The applied floor i.e. first floor left side is already electrified through meter bearing no. 81400601 granted for domestic purposes in the name of Sultana, as such no new connection can be granted for same floor as there is no separate dwelling unit and entry as required under the DERC Supply Code 2017.
3. A.R. of the complainant filed his rejoinder submitting therein that in April 2021, they applied for four new electricity connections in the name of Sultana, Ziauddin, Ziauddin and Mehjbeen from which only two connections were energized in the name of Sultana at 1st floor right side and Ziauddin at 2nd floor left side respectively. He further submitted that the dues which OP has asked for payment is of other person and there are separate dwelling units on each floor.
4. Perusal of order sheet shows that the complaint is continuously been put for hearing on 30.05.2023 and on 04.07.2023, but nobody on behalf of the complainant was present on the two consecutive hearings. This absence of complainant reveals that either the complainant has no valid ground/defense against OP's rejection of his request under consideration or is no longer interested in pursuing his case before this Forum.
