Complaint No.CG-RA 07/2020

INDRAJ SINGH
Vs
BSES YAMUNA POWER LIMITED(D) NNG

ORDER SHEET

Date: 24.12.2020

Present:

1. Mr. Indraj Singh, the complainant
2. Mr. Imran Siddiqui, on behalf of BYPL

Complainant is present. Respondent is also present. Respondent filed Review Application on the order passed by the Forum on 23.11.2020.

- 1: *"That the Respondent should release the connection to the complainant as per DERC Guidelines/Regulations, 2017.*
2. *That the Respondent is further directed to obtain an affidavit/undertaking from the Complainant, if NOC produced, found to be fake/false, the electricity connection would be forfeited."*

The Review filed by the respondent is not maintainable because the Forum has specified in the order in Para 2 that the respondent is further directed to obtain affidavit /undertaking from the complainant if NOC produced found to be fake/false, the electricity connection would be forfeited. The ground raised in Review Application is already mentioned in the order in Para 2. No fresh ground is there for the review. So, the Review Application is rejected, but Forum is also giving direction to the respondent that the email communication is not admissible in Government departments/semi-government departments. Physical verification or letter by post or with stamp should be produced before the Forum or in reply to the complainant /case. So the Review Application is rejected.
